OUR NEIGHBOURHOOD BREAKFAST

At **HOTEL INDIGO YORK** we source all our ingredients locally to give you the best and freshest taste of our neighbourhood.

Our meat come from **SYKES HOUSE FARM** based in Wetherby. Founded in the late 60's by Martin Smith and his father, Sykes House Farm is now in its third generation of working with livestock in Yorkshire and supply us with our bacon from outdoorreared pigs from West Moor Farm in Easingwold.

We serve the tea from Yorkshire Tea, steeped in history the family business was gounded in 1886 in Harrogate, one of the nicest towns in Yorkshire (after York of course). Tea is sent from around the world to Pagoda House in Harrogete. When the tea arrivce they are carefully slurped and assessed and made sure they taste perfect for a proper brew!

Please note some of our dishes may contain nuts or traces of nuts.
